

CHESHIRE PUB CO.

YOUR INSIDER TO EVERYTHING CHESHIRE PUB CO.

We are sure you'll agree that it is nice to welcome the shiny new year of 2022. Our turn of the year celebrations were enjoyed by all and we are now looking forward to making new memories with you over the coming year.

Our beautiful pubs, The Ship Inn, Styal, The Frozen Mop, Mobberley, The Crown and Conspirator, Bramhall and The Churchill Tree, Alderley Edge, have a host of upcoming events which focus on delivering something seasonal and special for their local communities (see overleaf). Whether you fancy a barrel of laughs, family fun, plates of goodness, pints of pale ale, or fancy food with flutes of fizz.. we have all you need.

Our Menus...

While we may be looking forward to the longer, lighter days, winter is still very much with us to embrace. And so, our team of chefs continue to develop comfort dishes which take advantage of seasonal British produce, to keep you warm as we see out winter over the coming months.

You may have heard that there are some issues with supplies across the food industry, but don't worry, this is not a problem for us. In fact, it has encouraged our teams to counter a larger selection of daily changing specials and has prompted us to nostalgically look back at the delicious dishes that we just don't see so often these days.

Expect the likes of Barnsley chops, Duck a la orange, Ham shanks in parsley sauce, Mushrooms and Stilton, Morecambe bay shrimps, Crumpets, Dumplings, Crumbles and Spotted Dick as we open up a new 'Nostalgia' section on our menus to celebrate those forgotten pub favourites alongside our popular Cheshire Pub Co. menu.

THE CHURCHILL TREE

Events

We are excited to welcome back our psychic and comedy Nights this Winter through to spring, as well as celebrating the usual traditions such as Burn's Night in January, Valentines, St Patrick's and Pancake Day in February.. and of course, Mother's Day in March. These events will bring us nicely to those later, lighter days when the clocks go back and we can start to enjoy warmer alfresco dining, exciting outdoor events for Easter, and then this year's exciting four day jubilee celebrations in June.

Make sure you sign up to our mailing list to get all the latest news. Sign up by scanning the QR code at the bottom of the page, or by visiting www.cheshirepubco.com. We look forward to sharing these special occasions with you!

Don't Go back to Boring Lunches...

#NewYearNewYou

This new year, why not mix your lunch times up a little and indulge in our lunch time menu at our pubs. We open at 12pm daily and have a variety of lunch time favourites on our menu, not forgetting our daily specials! Do you require a large group booking?

No worries, call ahead, pre order with us, we can most certainly accommodate.

A Sobering Thought

We are positive that 2022 will bring with it a host of happiness as we all celebrate the positive move out of the global pandemic and the chaos which ensued as a result.

However, the knock-on-effect of turbulent times has contributed to a melting pot of rising food and beverage costs. The ongoing staff shortages due to self isolations, the increase of minimum wage, and the exponential rise in energy costs are just a few financial challenges we continue to face.

Consequently, we have been forced to make some unavoidable decisions as a company to ensure we keep jobs thriving for our staff and our pubs operating for you, our customers.

Solutions to these challenges such as increasing the prices of our food and drink to meet demands will therefore be inevitable. Transparency will be paramount throughout these changes to ensure the trust and support of those of you at the very heart of our pub community. We know that you will understand and support us with these difficult decisions as we face the future of hospitality together in a post Covid era, and post Brexit world.

Work with Us!

We are always looking for great people to join our team. We offer flexible hours to suit, with students and parents, and whether you have experience in hospitality, or just want to try something new, we offer full training for both front and back of house roles, and excellent benefits including early pay, staff discounts in our venues and flexible hours.
