

This new spring season has brought a bank of new menus, new events and new and exciting news for Cheshire Pub Co.

As we tuck away those warming, fireside dishes until Autumn, our team launch new menus across our pubs and places which offer light, fresh new flavours and colour. Launched in time for spring and summer, new dishes like our Tomato & Watermelon Tartare, Pan Seared Seabass with bang bang king prawns and the Bhaji Burger appear firm favourites already. Our new soft sub rolls come with light fillings such as crayfish, sun-dried tomatoes and avocado.

Looking for some extra plant power this spring and summer, our menus welcome influences from our vegan restaurant, OTTO Vegan Empire, located in Bramhall.

Our 'A Bit Of Nostalgia' section is a specially curated part of our daily menu featuring traditional favourites such as Spam Fritters, Cordon Bleu and the infamous 80's sweet, the Banana Split. This section promises to take you back to "that time when"...enjoy!

New season, new spaces!

As our pub gardens and surrounding Cheshire countryside enjoy new buds and growth, so does the Cheshire Pub Co. portfolio, which welcomes The Shady, Tiverton, just outside Tarporley to the Cheshire Pub Company group this spring. This idyllic canalside country pub will open its doors slightly ahead of our new bistro dining concept, The Rascal and Radical, Tarporley.

The Shady, will offer seasonal camping and canal moorings. For more information or to book please email: info@theshadypub.co.uk
